Google Drive <https://goo.gl/83f5Sh>

A land record is anything that gives you information about a piece of dirt.

Why look for land records?

- Where did they live?
- People in their lives.
- Karma.

Focus on what is available,
not how to use specific data sources.

1) Probate Records

www.ancestry.com

Search → Card Catalog →

Keywords > Wisconsin probate

50% of Wisconsin counties –
1800-1987

NOT JUST WILLS Bonds Guardianships

Don't accept "It doesn't exist"
